

Computation of Grade and Grade Points

For all courses (theory and practical), letter grades and grade points are given on a 10 - point scale based on the total percentage of marks (CIA + ESE) as follows:

Percentage of Marks	Grade	Grade Point (GP)
90 and Above	A+ - Outstanding	10
80 and below 90	A - Excellent	9
70 and below 80	B - Very Good	8
60 and below 70	C - Good	7
50 and below 60	D - Satisfactory	6
40 and below 50	E - Adequate	5
Below 40	F - Fail	0

Grades for the different semesters and overall programme are given based on the corresponding GPA as shown below:

SGPA / CGPA Grade	Grade
Above 9	A+ - Outstanding
Above 8, but below or equal to 9	A - Excellent
Above 7, but below or equal to 8	B - Very Good
Above 6, but below or equal to 7	C - Good
Above 5, but below or equal to 6	D - Satisfactory
Above 4, but below or equal to 5	E - Adequate
4 or below	F - Failure

Credit Point (CP) of a course is calculated using the formula

CP = Cr x GP, where Cr = credit; GP = Grade Point. Semester Grade

Point Average (SGPA) of a semester is calculated using the formula.

SGPA = TCP/TCr, where TCP = Total Credit Point of that semester;

TCr = Total Credit of that semester.

Cumulative Grade Point Average (CGPA) of a programme is calculated using the formula $CGPA = \Sigma TCP / \Sigma TCr$.

SGPA and CGPA are rounded off to two decimal places.

The percentage of marks equivalent to the CGPA awarded is calculated by multiply it with 10.
